

This song is not a random love song. It is a **direct poetic adaptation of Song of Solomon (శ్రీకృష్ణ శ్రీకృష్ణ) Chapter 5, verses 10-16**. In the Bible, the Shulamite woman (representing the believer / church) answers the daughters of Jerusalem, who ask: *“What is your beloved more than another beloved?”*

Her answer becomes a detailed, beautiful description of **Jesus Christ** - His appearance, His words, His strength, and His love.

The song captures that same emotional and spiritual depth in Telugu.
